Sobre NÓS

A S.R TRADE Indústria e Comércio Ltda, que foi fundada em 1994 e atuava na área de distribuição, deu início em 2005 a divisão MARVITEC®, para atender os setores de infraestrutura de obras públicas, com estruturas metálicas e posteriormente, com atividades de fabricação e distribuição no setor de segurança e sinalização viária. Todos os produtos são fabricados sob rigoroso processo de controle de qualidade, atendendo todas as exigências de normas NBR – ABNT vigentes.

✓ Cinco fabricas:

- Composta por 150 colaboradores diretos;

✓ Equipe qualificada;

- Certificado ISO 9001;
- CRC - Petrobras

✓ Capacidade produtiva;

- 2500 Toneladas mês;

✓ Tecnologia avançada:

- Centro de Usinagem;
- Corte longitudinal (slitter);
- Corte Transversal;
- Corte a Laser e Plasma;
- Perfiladeiras;
- Calandra e Dobra;
- Solda Robotizada;
- Galvanizadora;

PRODUTOS

Acabamentos:

Pré-Zincado (PZ), Galvanizado a Fogo (GF), Galvanizado Eletrolítico (GE), Inox (IA), Galvalume (GV), Pintado (PI);

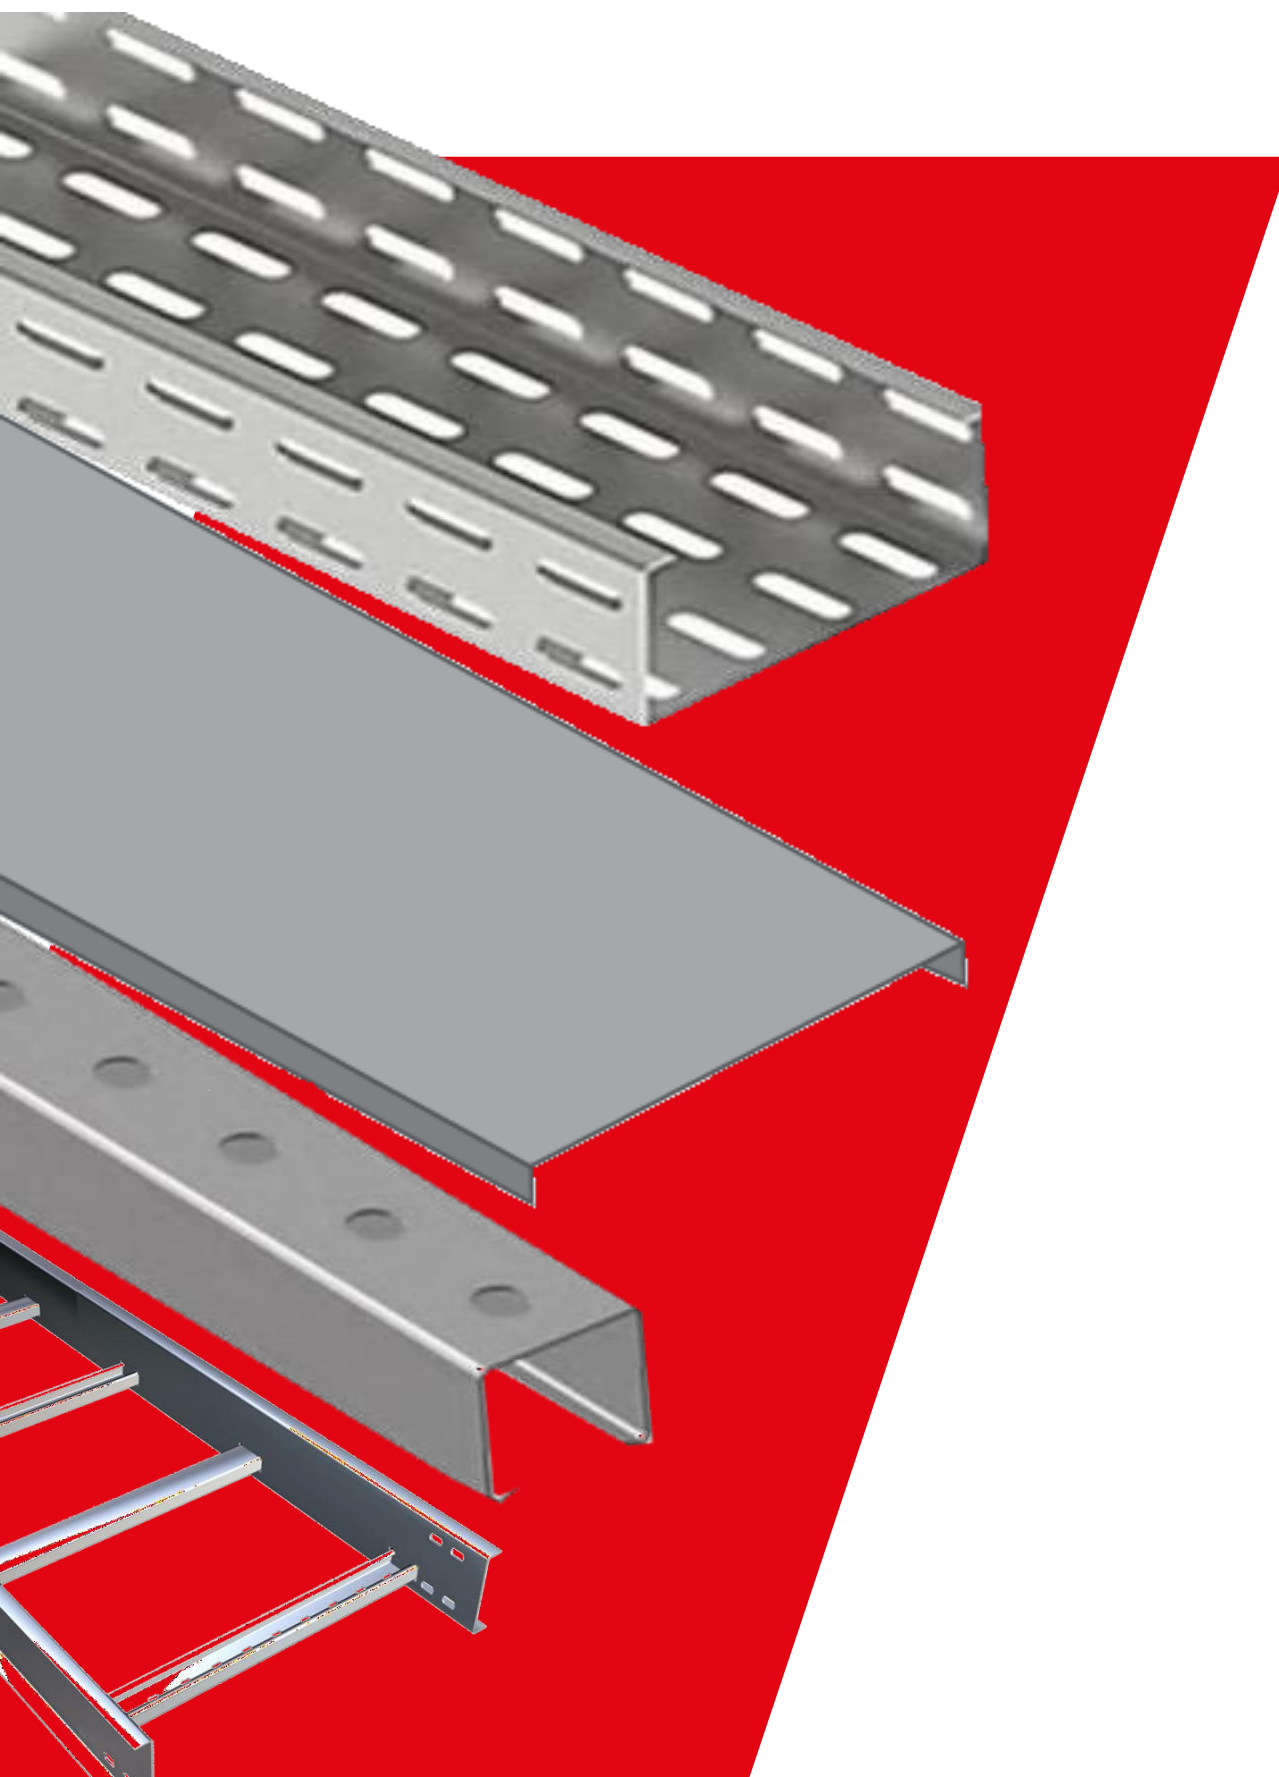

Materiais:

**Aço carbono SAE 1006, SAE 1008 e SAE 1010
Aço inox AISI 304, AISI 316 e AISI 316L**

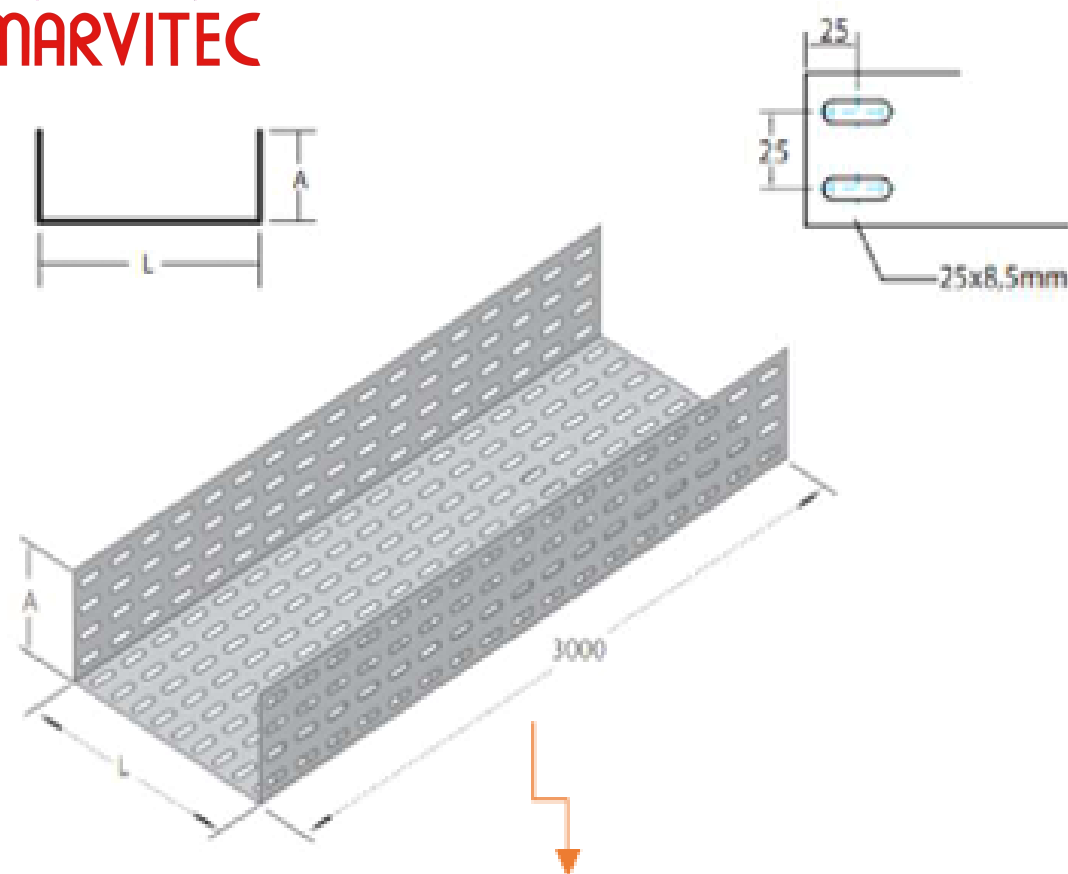

NORMAS:

**NBR 6323
NBR 7008
NBR 10476**
